"Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In *Love, Ellen*, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand their gay children, and to help sons and daughters who have been rejected by their families feel less alone.

The comedienne and actress draws on diary entries, correspondence, and family memories to present a tribute to her late daughter that traces Carrie's

struggles with self-esteem and addiction before her cancer-related death, in an account that also shares the life lessons they learned together.

Ellen DeGeneres's winning, upbeat candor has made her show one of the most popular, resilient, and honored daytime shows on the air, and her life makes for great (and very funny) reading. Relatable, her first stand-up special in 15 years, airs on Netflix beginning December 18, 2018. "I've experienced a whole lot the last few years and I have a lot to share. So I hope that you'll take a moment to sit back, relax and enjoy the words I've put together for you in this book. I think you'll find I've left no stone unturned, no door unopened, no window unbroken, no rug unvacuumed, no ivories untickled. What I'm saying is, let us begin, shall we?" Seriously... I'm Kidding is a lively, hilarious, and often sweetly poignant look at the life of the much-loved entertainer as she opens up about her personal life, her talk show, and more. PRAISE FOR SERIOUSLY...I'M KIDDING "DeGeneres's amiably oddball riffs on everything from kale to catwalks to Jesus will make fans smile." - People "Whatever the topic, DeGeneres's compulsively readable style will appeal to fans old and new." - Publishers Weekly "Fans will not be disappointed...[DeGeneres's] trademark wit and openness shine through and through." -- Kirkus

The unflinching true account of a teenage girl's descent into society's underbelly -- and her mother's desperate and ultimately successful attempts to bring her back. How does an honor student at one of Los Angeles's finest prep schools -- a bright, beautiful girl from a loving home -- trade school uniforms and afternoons at the beach for shooting up in the back of a van in rural Indiana? How does her devoted mother emerge from the shock of finding that her daughter has not only disappeared but had been living a secret life for more than a year? Mother and daughter tell their parallel stories in mesmerizing first-person accounts. Claire Fontaine's story is a parent's worst nightmare, a cautionary tale chronicling her daughter Mia's drug-fueled manipulation of everyone around her as she sought refuge in the seedy underworld of criminals and heroin addicts, the painful childhood secrets that led up to it, and the healing that followed. Her search for Mia was brutal for both mother and daughter, a dizzying series of dead ends, incredible coincidences and, at times, miracles. Ultimately, Mia was forced into harsh-but-loving boot camp schools on two continents while Claire entered a painful but life-changing program of her own. Mia's story includes the jarring culture shock of the extreme and controversial behavior modification school she was in for nearly two years, which helped her overcome depression and self-hatred to emerge a powerful young woman with self-esteem and courage. An unforgettable story of love and transformation, Come Back is a heart-wrenching and humorous portrayal of the primal bond between mother and daughter that will resonate with women everywhere.

I look at my daughter. My darling girl. I remember her tiny hand in mine, her first smile. I recall her tears when she'd tumble over, healed instantly with a band-aid and a little kiss. I have to keep her safe. Even if it means someone else gets hurt... In the pretty, privileged college town of Milford, New Hampshire, everyone is friendly, everything is safe. And on this cold autumn day, as red and yellow leaves begin to fall from the trees, and everyone wraps up for the first time, it would be easy to believe nothing bad could ever happen here. Until a screech of tires is heard, a thud, a child's scream. The crash that sees Jenna's six-year-old daughter Amy Rose being hit by a car driven by seventeen-year-old Maddie. Maddie's mother, Ellen—a college professor with a warm, approachable reputation—insists it must have been an accident. Her daughter is always safe on the road—and she's vulnerable herself. But as Amy Rose lies unconscious in hospital, the town begins to take sides. With Ellen, who just wants to defend her daughter. Or with Jenna, a single mother with a past, whose child hovers between life and death... The truth is that both mothers have secrets they're trying to keep. And, with Amy Rose's life hanging in the balance, one of them will stop at nothing to protect the person she loves—her daughter. An incredible, powerfully emotional and heartbreaking read, with a dilemma that will make everyone wonder what they would do, in either mother's shoes. Perfect for fans of Jodi Picoult, Jojo Moyes and Diane Chamberlain. Readers are loving My Daughter's Mistake: "Warning, you will need a box of tissues by your side to get through this book!!!! I loved, loved, loved this book. It was a real tear jerker. Question was when was I ever going to stop crying? My husband even asked me if something terrible had happened and I had to explain it was just my book... Awesome." Blue Moon Blogger [?????](#) "I LOVED THIS BOOK!!!!... Put it on your must-read list. In fact put it on the top of your TBR pile! Seriously, this is a book that will stay with you after you are done reading it... Will give you all the feels and then some!... Kate Hewitt is the queen of touching and capturing my heartstrings and pulling them hard... Phenomenal." Heidi Lynn's Book Reviews [?????](#) "Wow... I couldn't stop reading from the beginning until the end... A brilliantly addictive read... If I could give it ten stars I would... Brilliant." NetGalley reviewer [?????](#) "Heartbreaking, engrossing and life changing... The ending will have you in tears, so read with a large box of tissues as you will experience a roller coaster of emotions." Goodreads reviewer [?????](#) "Had me crying bucket loads... Don't forget your tissues... Totally gripping." Goodreads reviewer [?????](#) "I loved this story and the storytelling so much... A novel you must not miss. It is a 5* hit... Excellent in every way." Goodreads reviewer [?????](#) "A great emotional dilemma read... I loved the emotions this book puts the reader through. Stunning, absolutely stunning!" Goodreads reviewer [?????](#) "Amazing... Managed to make me cry and feel incredibly uplifted both at the same time!... Such a wonderful book... Beautiful... I loved it." Goodreads reviewer [?????](#) "I loved this story and the storytelling so much... I identified with both mothers as their trauma increased in intensity... A novel you must not miss. It is a 5* hit, enjoyable, tense and fast paced... Excellent in every way." Goodreads reviewer [?????](#) "Be warned! You might have to stock up on tissues." B for Bookreview [?????](#)

This heartwarming and funny memoir from a beloved actress tells the story of a mother and daughter whose narrative reflects American cultural changes

and the world's shifting expectations of women. From Golda to Ginsburg, Yentl to Mama Rose, Tallulah to the Queen of Mean, Tovah Feldshuh has always played powerful women who aren't afraid to sit at the table with the big boys and rule their world. But offstage, Tovah struggled to fulfill the one role she never auditioned for: Lily Feldshuh's only daughter. Growing up in Scarsdale, NY in the 1950s, Tovah—known then by her given name Terri Sue—lived a life of piano lessons, dance lessons, shopping trips, and white-gloved cultural trips into Manhattan. In awe of her mother's meticulous appearance and perfect manners, Tovah spent her childhood striving for Lily's approval, only to feel as though she always fell short. Lily's own dreams were beside the point; instead, she devoted herself to Tovah's father Sidney and her two children. Tovah watched Lily retreat into the roles of the perfect housewife and mother and swore to herself, I will never do this. When Tovah shot to stardom with the Broadway hit Yentl, winning five awards for her performance, she still did not garner her mother's approval. But, it was her success in another sphere that finally gained Lily's attention. After falling in love with a Harvard-educated lawyer and having children, Tovah found it was easier to understand her mother and the sacrifices she had made during the era of the women's movement, the sexual revolution, and the subsequent mandate for women to "have it all." Beloved as he had been by both women, Sidney's passing made room for the love that had failed to take root during his life. In her new independence, Lily became outspoken, witty, and profane. "Don't tell Daddy this," Lily whispered to Tovah, "but these are the best years of my life." She lived until 103. In this insightful, compelling, often hilarious and always illuminating memoir, Tovah shares the highs and lows of a remarkable career that has spanned five decades, and shares the lessons that she has learned, often the hard way, about how to live a life in the spotlight, strive for excellence, and still get along with your mother. Through their evolving relationship we see how expectations for women changed, with a daughter performing her heart out to gain her mother's approval and a mother becoming liberated from her confining roles of wife and mother to become her full self. A great gift for Mother's Day—or any day when women want a joyous and meaningful way to celebrate each other.

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and why we're so scared of the boogeyman—to fashion trends, celebrity, and her secret recipe for Ellen's Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America's most beloved comics.... Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn't have anything important to say. But when I began writing, I realized that although I don't know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it's all in the book. And I realized I notice things that maybe some people don't notice (or they don't notice that they don't notice). That's all in the book, too.

Having suffered abuse and misfortune for much of her life, a young child searches for a better life and finally gets a break in the home of a loving woman with several foster children.

The relationship between a mother and daughter is one of the most profound bonds in life. A mother feels her daughter's first kick during pregnancy, labors to bring her daughter into the world and watches as she takes her first breath of life. Similarly, a daughter opens up a new world and range of emotions to her mother, allowing her to feel an unconditional love she didn't know she possessed.
