## Medical marriages | The BMJ

The coming of women to medicine makes the late 20th century an exciting time of change for the medical marriage—one that is yet to be fully described. But the opportunities for mutual growth of individuals and family can be fully realised only when the profession truly welcomes women, recognises the importance of families, and acknowledges the changing priorities of dual doctor couples.

Medical marriages happen when a doctor marries another physician or healthcare practitioner. In the era of Ben Casey and Dr. Kildaire (about a half-century ago), medical marriages were incredibly rare. Back in the early 60 ' s women rarely went to college, and a female doctor was extremely unusual in the USA.

Medical Marriages. by. Glen O. Gabbard (Editor) 4.25 · Rating details · 4 ratings · 0 reviews. The book examines the inner workings of the physician's marriage -- the psychological issues and sources of conflict that emerge in the various stages of marriage and family. The authors share ways to help physicians and their families learn new ways to improve communication, balance the demands of work and family, and grow and change together.

## Medical Marriages by Glen O. Gabbard - goodreads.com

The Medical Marriage, A Couple's Survival Guide was written in 1995 by Wayne and Mary Sotile, a husband-wife psychologist team. While I was always aware that the book was written by psychologists and I felt uneasy reading some of the case studies, much of what they described rang true for my medical marriage and others I have learned about through career counseling with physician executives.

Medical Marriages: First Comes Friendship, Then Comes Marriage. For any married couple—especially for two career-driven people—life can be busy. For two physicians who put in long hours and never really leave work behind thanks to being on-call, busy is an understatement. Elliott Antman, MD, professor of medicine at Harvard Medical School, and Karen Antman, MD, dean of the Boston University School of Medicine, understand that better than most.

## Medical Marriages: First Comes Friendship, Then Comes ...

Staff News Writer. About 80% of physicians are married, according to a recent online survey, and these doctors often marry other doctors or other health professionals. One in four women physicians are married to doctors, and 16% of male doctors are married to physicians, says a survey of more than 15,000 physicians in 29 specialties that was published on the Medscape news website.
