A stunning new postcard collection from the pages of the bestselling *A Class Apart*, which has already achieved the status of ‘Gay Classic.’ Monty’s *Private Pictures* includes thirty photographs in a postcard book.

Upstairs, downstairs--the gay, photographic version.

This reference identifies and explains the cultural, historical, and topical allusions in the film *Monty Python ’ s Meaning of Life*, the Pythons ’ third and final original feature as a complete group. In this resource, virtually every allusion and reference that appears in the film is identified and explained—from Britain ’ s waning Empire through the Winter of Discontent to Margaret Thatcher ’ s second-term mandate, from playing fields to battle fields, and from accountant pirates to sacred sperm. Organized chronologically by scene, the entries cover literary and metaphoric allusions, symbolisms, names, peoples, and places; as well as the many social, cultural, and historical elements that populate this film, and the Pythons ’ work in general.

The Men Behind Monty examines the role played by the staff in the victorious campaigns of Field Marshal Viscount Montgomery, Britain's most successful field commander since the Duke of Wellington.??When Monty took command of Eighth Army in August 1942, he inherited the staff of his predecessor. He retained all the key members and most of them stayed with him not only from El Alamein to Tunis,

but also in Sicily and Italy. When he took command of 21st Army Group in January 1944, many accompanied him to take up the most prominent positions on the HQ staff and the majority remained until the German surrender in May 1945.??This fascinating work focuses not only on the senior officers responsible for the various staff branches, and notably on Monty's outstanding Chief of Staff, Freddie de Guingand, but also on his personal staff, the ADCs and personal liaison officers.?The book sheds light on the work of the staff generally, and on their direct contribution to Monty's decisions, his sometimes difficult and controversial relationships with his superiors and allies.

In life, even daily decisions can result in unintended consequences. Sara Jones, a single mother of two and owner of a luxurious estate, left for a routine run along her beachfront property. When she didnt return, her daughter contacted the Wayfarer Police. A mysterious phone call to the police during the course of their investigation stated that Sara had decided to join a friend on his yacht. Case closed. When Jack Conner, retired sheriffs lieutenant from Colorado vacationing in San Diego, picks up a week-old newspaper, he reads a simple two-paragraph story about a retired porn star named Asian Sin who disappeared. With time on his hands and a secret in his past, Jack decides to start his own investigation into the case of the missing Asian Sin. Thus begins the quest for a woman who is more than what she appears by a man who is haunted by an event that occurred more than thirty years earlier.

Key changes have emerged in Bollywood in the new millennium. Twenty-First Century Bollywood traces the emerging shifts in both the content and form of Bollywood cinema and examines these new tendencies in relation to the changing dynamics of Indian culture. The book historically situates these emerging trends in relation to previous norms, and develops new, innovative paradigms for conceptualizing Bollywood in the twenty-first century. The particular shifts in contemporary Bollywood cinema that the book examines include the changing nature of the song and dance sequence, the evolving representations of male and female sexuality, and the increasing presence of whiteness as a dominant trope in Bollywood cinema. It also focuses on the increasing presence of Bollywood in higher education courses in the West, as well as how Bollywood ' s growing presence in such academic contexts illuminates the changing ways in which this cinema is consumed by Western audiences. Shifting the focus back on the cinematic elements of contemporary films themselves, the book analyses Bollywood films by considering the film dynamics on their own terms, and related to their narrative and aesthetic usage, rather than through an analysis of large-scale industrial practices. It will be of interest to students and scholars of South Asian Studies, Film Studies, and Cultural Studies.

The brilliant debut novel from the bestselling author of *City of Thieves* and the co-creator of the HBO series *Game of Thrones*, about a white-collar drug dealer's last night out in New York City before going to jail Adapted as a feature film by Spike Lee starring Edward Norton and Philip Seymour Hoffman “ Novels like *The 25th Hour* don't fall out of trees every day. The tone is dark and intense; its elegant style is cut on the raw side; and the characters come from places we've all been. ” —The New York Times All Monty Brogan ever really wanted when he grew up was to be a fireman. Now he's about to start a seven-year stretch in the federal penitentiary for

drug dealing. With just twenty-four hours of freedom to go, he prowls the city with his girlfriend and his two best friends from high school—a high-flying bond trader and an idealistic teacher. As the minutes count down, Monty seizes one last chance to stack the odds in his favor. Hurling from the money pits of Wall Street to Manhattan's downtown lounge and club scene, from the enclaves of the Russian mob to the old immigrant neighborhoods, *The 25th Hour* evokes the pulsing rhythms and diamond-hard edges of a city in the raw, illusory hours between midnight and dawn. A taut and mesmerizing tale of an urban purgatory suspended between the crime and the punishment, *The 25th Hour* is a major player in contemporary noir fiction.

A episode-by-episode guide to the British television program lists and explains every allusion and reference, cast members, and other details from the scripts.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.
