Moving images have viral appeal. Not only do they engage an audience's emotions, but they also spark intrigue. They are like an illusion—not quite a photo and not quite a video. PhotoMirage is the extraordinary tool that helps you break through the visual clutter.

PhotoMirage - Photo Animation Software

The late 19th century saw nascent motion picture technology develop at a rapid pace as cameras and other technology slowly became mainstream. One of the earliest attempts at a moving image was the result of a test by the film pioneer Eadweard Muybridge.
