## Potty

So, although I cannot yet claim success and give My Big Boy Potty all the credit, I can say it was exactly what I was hoping to get in a potty book for my son. The only complaint I have is that I wish I could get the large board-book version. Although I generally don't mind used books somehow getting a used potty book was a bit too much for me ...

~~Walmart.com~~—~~Walmart.com~~

My Big Boy Potty is a good book to help with potty training and is most useful at nap times when my son needs some time to unwind as it is a bit wordy. However, the book does a good job with allowing your little ones to identify with the little boy in the book. The author talks about wearing diapers and asks, 'Do you wear diapers, too?'

~~Amazon.com: Customer reviews: My Big Boy Potty~~

It also accommodates for accidents, and the fact that children will often need to wear diapers at bedtime even though so much emphasis is placed on "big boy underwear" during the day. The only drawback I experienced was that Michael the character uses a sit-down potty, where my son has a ring
