Exam board: SQA Level: Higher Subject: Physics First teaching: September 2018 First exams: Summer 2019 What do you really need to know for the SQA Higher Physics exam? This revision guide covers the essentials in less than 100 pages, so it's perfect for early exam preparation or last-minute revision. - Find key content at your fingertips with quick summaries of the concepts, issues and terminology that you need to understand - Get a better grade in your exam with tips on exam technique, mistakes to avoid and important things to remember - Revise and practise using end-of-topic questions and in-depth questions at the end of each section - with answers provided online

The National 5 Physics Student Book helps map your route through the CfE programme and provides comprehensive and authoritative guidance for the whole course. Student Books give a practical, supportive approach to help deliver the new curriculum and offer an appropriate blend of sound teaching and learning with exam and assessment guidance.

Exam Board: SQA Level: Higher Subject: Science First Teaching: September 2014 First Exam: June 2015 Higher Chemistry for CfE is tailored specifically to the extended requirements, teaching approaches and syllabus outlines detailed in the Higher Chemistry revisions for Curriculum for Excellence, to be examined 2015 onwards. A significant proportion of the text is also appropriate for teaching the Revised Higher syllabus being examined 2012-2015. Each section of the book matches a unit of the CfE syllabus; each chapter corresponds to a content area. End-of-course questions, a chemical dictionary and a full index are also provided, with key learning points summarised throughout to help students revise. The book demonstrates the relevance of the chemistry being studied by offering students examples of how the chemical industry applies basic chemistry principles to its everyday operation. A with answers version of the text is also available (978 1444 16752 8). - The only textbook for the Higher Chemistry for CfE syllabus offered by SQA. - Full colour presentation and motivating text design to encourage student enthusiasm. - Combines the traditional strengths of the bestselling Allan and Harris textbook with new material and innovative CfE teaching approaches from John Anderson.

Exam Board: SQA Level: Higher Subject: Chemistry First Teaching: August 2018 First Exam: June 2019 Full course coverage in this new Higher Chemistry textbook edition, updated for the latest changes to the SQA coursework and question papers. In-text, Study and End-of-course questions have been updated and extended in this edition, testing students' knowledge and understanding of the chemistry presented and offering lots of practice to revise and consolidate ahead of the exam. Worked examples show common Higher Chemistry questions and ways of answering that cover the necessary points. Checklists for Revision provide short summaries of

the key learning points at the end of each chapter so that students can this to self-check their learning which helps them revise for assessments. Brand new section 'Additional features of the Higher Chemistry exam' offers advice on how to tackle two important new features of the exam: Numeracy and Open-ended questions. Key terms and Chemical Dictionary aid understanding and allow students to check their knowledge of the key terms.

'Official SQA Past Papers' provide perfect exam preparation. As well as delivering at least three years of actual past papers - including the 2008 exam - all papers are accompanied by examiner-approved answers to show students how to write the best responses for the most marks.

This work proposes a definition of the notion of salience in sociolinguistics. Salient linguistic variants are those that are easily picked up by the listeners, and these stand in opposition to 'invisible' variants, which are, even if they also show complex social stratification, completely ignored. Taking a quantitative angle, this work sees salience as a function of relative frequency differences, giving it an empirically testable operationalisation.

This volume provides basic information about managing wild bees and on the use of their products. It identifies and describes major bee species and their importance for nature conservation and for sustaining livelihoods of rural people. Bee products are considered at both subsistence and commercial level, and particular attention is given to the potential for further development of managing wild bee species in developing countries. The role of bees for pollination of crops and the impact of managing bees on forestry and farming are presented. Wild-bee keeping techniques, honey production and marketing, and the international trade in bee products are described with further references and sources of additional information given. Using this publication, readers will better understand the complexities and opportunities for developing apiculture by rural livelihoods. Also published in French.

I have always loved the mixture of strictness and susceptibility in Norman MacCaig's work. It is an ongoing education in the marvellous possibilities of lyric poetry . . . He means poetry to me' - Seamus Heaney 'Norman MacCaig is an indispensable poet, and his Collected Poems is a wonder-book which will give years of pleasure' - Douglas Dunn 'Magisterial' - The Herald 'Deeply lyrical yet crystal clear in its language, MacCaig's poetry is a must-have' - Sunday Herald This collection of Norman MacCaig's poems is offered as the definitive edition of his work. It has been edited by his son, Ewen. A prolific writer, MacCaig left about 600 unpublished poems after his death; 99 have been selected for inclusion here. The aim of the selection process was to sustain the overall quality of the 1990 Collected Poems, which was compiled by the poet. Unusually, MacCaig's creativity did not decline with age, and most of the unpublished poems date from his seventies and early eighties, adding significantly to his published work from that period. Insight to the writer's life and work is provided in an appreciative introduction by author and critic Alan Taylor, focusing on MacCaig's life and times, and in a collection of MacCaig's words on his own and others' writing.

Exam Board: SQA Level: National 5 Subject: Business First Teaching: September 2013 First Exam: June 2014 This straightforward guide to all five core areas of the syllabus is endorsed by SQA. - Written by an experienced author and examiner - Offers an innovative approach and layout in-line with CfE approaches to learning - Provides a wide range of classroom and
