BAZERMAN NEALE NEGOTIATING RATIONALLY PDF

If he is heavily constrained, you might try to negotiate with someone who has greater dealmaking authority. In negotiation, a wide variety of possible constraints exist. The other side may be constrained by advice from her lawyers, by the fear of setting a dangerous precedent, by promises she has made to other parties, by time pressure, and so on.

Dealing with the 'Irrational' Negotiator - Harvard ...

negotiations with yourself or negotiations with Others. What is it that is being negotiated? Think for example, about money, time, status and prestige, trust, space, family status, future growth possibilities, etc. Is money the most important subject? Name some ways you could find out how effective you are in this real-life negotiation that really

Negotiation: Theory and Practice - MIT OpenCourseWare

I would argue, however, that even if you feel the urge to rush through negotiation, you need to stop and plan. After all, this is a high-stakes process, and you need to detach yourself emotionally from the outcome if you want to succeed. It is best to approach negotiation as calmly and rationally as possible.
