Nepal Transition To Democratic R Lican State 2008 ...

The Nepalese democracy movement is a series of political movements from the 20th century to 2008 that advocated the establishment of representative democracy, a multi-party political system and the abolition of monarchy. It has seen three major movements, the Revolution of 1951, Jana Andolan and Loktantra Andolan which ultimately abolished the Shah monarchy, transitioned Nepal towards a republic and reintroduced multi-party bicameral democracy. The beginning of a national movement for democracy

Nepalese democracy movement - Wikipedia

The CA declared Nepal republican country and promised the restructuring of the Nepal into a federal set up and to bring about a democratic constitution. The election of the CA in 2008 has been viewed with high hopes for consolidating peace in Nepal and enhancing democratic process.

Local Democracy in the Political Transition of Nepal

However, the Government of Nepal ensured a smooth transition from violence to democratic politics by holding local elections 2017. This is a landmark beginning in the process of implementing a new constitution promulgated in September 2015, which is, indeed, a product of negotiation and compromises between the ideologically different political power groups.

Nepal: Conflict and peace | Peace Insight

The 2006 Democracy Movement is a name given to the political agitations against the direct and undemocratic rule of King Gyanendra of Nepal. The movement is also sometimes referred to as Jan Andolan II, implying it being a second phase of the 1990 Jana Andolan.
