Nina: Jazz Legend And Civil Rights Activist Nina Simone is a wonderful story written by Alice Briere-Haquet and beautifully illustrated by Bruno Liance. This book is published by Charlesbridge who publishes really great children ' s books. You can find many awesome books from this publisher for babies and toddlers (board books) all the way up ...

[Nina: Jazz Legend and Civil Rights Activist Nina Simone ...](#)

The final message is simple: people need to protect their dreams of justice in the world. Even though the subtitle is Jazz Legend and Civil-Rights Activist, this book doesn ' t show what Nina Simone did, except to pass the dream of racial equality on to her daughter. This is a beautiful and serious book, but I think some children won ' t understand what it is about without talking to parents or teachers.

The true story of how a ride on a carousel made a powerful Civil Rights statement A Ride to Remember tells how a community came together—both black and white—to make a change. When Sharon Langley was born in the early 1960s, many amusement parks were segregated, and African-American families were not allowed entry. This book reveals how in the summer of 1963, due to demonstrations and public protests, the Gwynn Oak Amusement Park in Maryland became desegregated and opened to all for the first time. Co-author Sharon Langley was the first African-American child to ride the carousel. This was on the same day of Martin Luther King Jr. ' s March on Washington for Jobs and Freedom. Langley ' s ride to remember demonstrated the possibilities of King ' s dream. This book includes photos of Sharon on the carousel, authors ' notes, a timeline, and a bibliography.

Isabella and Ivan learn a lot about baking when they interview the local baker. The Writing Builders series can help you become a better writer. Join the fun as friends learn the basics of the writing process, from brainstorming and outlines to first drafts, revising, and the finished piece. Each book in the Writing Builders series covers a different writing project. From book reports to blogs, you can follow the steps needed to finish your own. Activities in the back of the book provide additional information and writing practice.

Anna Harwell Celenza's engaging fictionalized telling of the story behind Franz Joseph Haydn's famous symphony is a perfect introduction to classical music and its power. THE FAREWELL SYMPHONY brings to life a long summer spent at Esterh à za, the summer palace of Prince Nicholas of Esterh à zy. The blustering, bellowing prince entertained hundreds of guests at his rural retreat and demanded music for every occasion. As the months passed, Haydn was kept very busy writing and performing music for parties, balls, dinners, and even walks in the gardens. His orchestra members became homesick and missed their families. The anger, frustration, and longing of the musicians is expressed beautifully in the symphony born of the clever mind of Joseph Haydn who used it to convince Prince Nicholas that it was time to go home. Wonderfully expressive illustrations by JoAnn E. Kitchel capture all the comedy and pathos of this unique symphony. Beautifully interpretive motifs and borders convey the setting and emotion of the story mirroring the structure of the symphony with the repetitive use of sets of four. Making classical music and history come alive with color and character, THE FAREWELL SYMPHONY ensures a place for the arts in the hearts and minds of children.

As a young man growing up in Greenland, Leif Ericsson had heard stories about a land to the west across the Atlantic Ocean. One day, he gathered a crew and set off to explore the land himself. He landed at three different places, finally settling at Vinland , now Newfoundland, Canada, for the winter. When he returned home, he became a hero, and inspired many other Vikings to explore the new world.

"Listening to the story is even more dramatic than reading it. It should be purchased by every public and school library." - School Library Journal

"A biography of Nina Simone, an acclaimed singer whose music gave voice to the struggle for racial equality during the Civil Rights Movement"--

"The greatest female artist of the 20th century " — Elton John This first-ever biography of Nina Simone caused quite a stir among reviewers. " A chastening read " , said the Sunday Times; " Simone ' s story is as harrowing as it is remarkable " , said the Yorkshire Post. No-one was quite prepared for the life story of the singer of such enduringly uplifting classics as " My Baby Just Cares for Me " turning out to be such a chilling litany of mental disorder, vile temper, terrible abuse at the hands of bad men, and a self-destructively hostile attitude all too often to the acolytes who came to see her perform. Brun-Lambert shows how Simone saw herself as a lifelong victim of racism, right from being turned down by the prestigious music school that would have enabled her to become a classical musician. Undiagnosed bipolar disorder, he argues, added to her torment. But it was her unforgettable voice, and, at best, her utterly magnetic performances, that kept people coming to a sold-out Ronnie Scott ' s every time she was in residency, and the way she sang her hardest songs like " Mississippi Goddam " with such fire and fury that they became anthems of political change, and means so many people can only be curious about the real life of the mecurial woman behind the piano. David Brun-Lambert is a highly regarded French writer and broadcaster.
