Amazon.com: Customer reviews: On My Watch: Leadership ...

It means a different way of looking at things from a leadership perspective—hierarchical approaches and a necessity for complete, proven ideas are smothering and impede innovation. Dr. Kanter states that “innovation springs from a culture that encourages everyone to come forth with new ideas, however small, and then provides the time and seed money to develop it.

The Role of Innovation and Leadership

The online Leadership & Innovation program is the first to be launched entirely in Spanish by MIT Professional Education, bringing first-rate graduate education to Spanish-speaking students. The modality is 100% online so that in addition to breaking down the language barrier, the need for physical proximity is also eliminated. ...
