This authoritative and accessible dictionary uses a unique combination of carefully verified definitions and clearly labelled images to explain even the most complex of topics. 187, 000 clear, concise definitions and entries cover general vocabulary - including English words from around the world - as well as specialist, technical, rare and new words and phrases. 4, 500 carefully selected images provide instant visual definitions and deepen understanding of the text entries 600 eye-catching illustrated feature panels offer more information on a wide range of topics - from science and technology to natural history, art and music.

This browsable and unique dictionary explains the interesting words found in 19th century texts studied at secondary school. With clear explanations, panels, and an illustrated section of photographs and artworks on the themes of transport, crime, fashion and more, it is an essential guide to help students enjoy 19th century literature.

A new edition of the Oxford Junior Illustrated Dictionary in durable hardback format with over 7000 up-to-date words from across all school subjects to support the higher vocabulary expectations in the new curriculum. Entries are simple and clear, and include numbered meanings, word classes, inflections and relevant child-friendly example sentences. Topic word lists help with key subject vocabulary and a new feature section provides support for tricky spellings, punctuation terms and activities to help children check and edit their writing. Easy-to-use and brightly illustrated, it is the perfect dictionary for developing dictionary skills, boosting word power and building confidence. Also available in paperback and an ideal companion to the new updated edition of the Oxford Junior Illustrated Thesaurus. Go online at [www.oxfordschooldictionaries.com](http://www.oxfordschooldictionaries.com) for the accompanying free downloadable activities.

Accelerates Academic Language Development The Oxford Illustrated Science Dictionary supports and promotes success in science by making academic vocabulary accessible to high-beginning and intermediate language learners. This dictionary is flexible enough to be used in whole-group, small-group, and independent learning modules and serves as a bridge between picture dictionaries and learner dictionaries. Each dictionary entry includes: Academic word Part of speech Pronunciation Simple definition Illustration Work contextualized in a sentence

Essential guidance for students and playgoers around the world. A unique dictionary to unlock the mysteries of Shakespeare's world, words and language, compiled by renowned English language expert David Crystal and Shakespearean actor and producer Ben Crystal. Over 4000 Shakespearean words clearly explained with examples from the twelve most studied and performed plays including Macbeth, Hamlet, Julius Caesar, Romeo and Juliet, and A Midsummer Night's Dream. Notes giving insights into Shakespeare's use of language, his society, and theatrical performances. Panels covering the language and conventions used in a wide range of fascinating topics including money, insults, and swearing. Full-colour illustrations of the Elizabethan's bright cosmos, sharp and vicious weapons, fashions of the day, musical instruments, and maps of the lands and place names! This is the most up-to-date and accessible language reference tool which will boost your understanding and enjoyment of Shakespeare's plays.

This dictionary takes children on a magical journey while at the same time developing early dictionary skills. Grammar and language tips - word origins, rhyming words, synonyms, opposites and spelling help sit alongside example sentences taken from children's reading.

A new edition of the Oxford Junior Illustrated Thesaurus in durable hardback format with thousands of synonyms, writing tips, overused words and word webs to build writing skills. Entries are simple and clear, and include relevant child-friendly example sentences to show children how to use different words accurately. Word lists and features on rhyming and onomatopoeic words will inspire creative writing and poetry. Easy-to-use and brightly illustrated, it is the perfect thesaurus for boosting vocabulary and creating confident young writers. Also available in paperback and an ideal companion to the new updated edition of the Oxford Junior Illustrated Dictionary. Go online at [www.oxfordschooldictionaries.com](http://www.oxfordschooldictionaries.com) for the accompanying free downloadable activities.

An easy-to-use family dictionary to boost spelling and improve vocabulary for writing and speaking - the perfect homework help. With over 50,000 words, including school subject vocabulary, clear definitions and age-appropriate examples and word puzzles and games, and over 1000 photographs and illustrations to support the entries and give extra information. The alphabet and letter tabs are provided on every page to make navigation quick and easy and there are child-friendly examples to show how words are used everyday, as well as help with pronunciation for difficult words. The ideal family dictionary to help with homework and a fantastic companion to the Oxford Illustrated Children's Thesaurus.

Serve as a bridge between picture dictionaries Are flexible enough to be used in whole-group, small group, or independent learning models Are aligned to national curriculum standards Includes 700 terms
