Reasons For Welfare The Political Theory Of The Welfare ...

In 1906, the Liberal party swept to power in a landslide victory over the Conservatives and new Labour party, however, this victory was not based on the promises of social welfare reforms meaning there were other reasons for their political victory. There were various reasons why social welfare reforms were introduced initially in 1906 and continued to progress for another 8 years until 1914, and genuine concern for the masses was not the only reason for their introduction.

The Political Reasons For Social Welfare Reform 1906-1914 ...

The reasons are partly administrative (strict selectivity is costly and inefficient), but mainly political: the pressures for expansion are irresistible. The welfare states are institutional forms of social protection, where the state has come to set the terms on which social protection is delivered.

The politics of welfare - Social policy

The so called welfare reform, welfare is actually the american version, was decided upon on a flawed idea that by making it hard together any benefits people would be returning to work in droves. Not surprising those who couldn ' t work with benefits were no more capable of working without them and did not return to work.

The Welfare State was not forced; in fact, it was widely welcomed by a nation which had largely demanded it after the war. Once the Welfare State was created it continued to evolve over time, partly due to the changing economic circumstances in Britain, but partly due to the political ideology of the parties which moved in and out of power.
