One of the ways of discussing the place of Russia between the East and West in the Soviet Union was the Marxist concept of the Asiatic Mode of Production and its application to Chinese society.

Russia between East and West: Perceptions and Reality

Throughout most of Russian history, two views of who the Russians are have dominated the minds of Russian intellectuals. Westerners assumed that Russia was part of the West, whilst Slavophiles saw Russia as part of a Slavic civilization. At present, it is Eurasianism that has emerged as the paradigm that has made attempts to place Russia in a broad civilizational context and it has recently ...

Russia Between East and West: Scholarly Debates on....

According to New Advent, the distance from the eastern border of Russia to its western border is roughly 6,666 miles, stretching from the Sea of Okhotsk to the Black Sea. Russia's area is one-sixth of the globe's total land surface. Because Russia touches eastern Europe and northern Asia, it is said to have a diverse culture.

Russia has nine major mountain ranges. In general, the eastern half of the country is much more mountainous than the western half, the interior of which is dominated by low plains. The traditional dividing line between the east and the west is the Yenisei River valley.

Geography of Russia - Wikipedia

This will particularly remain the case so long as rival visions prevail with respect to how to order the wider European space, with Western capitals' insistence on the right of Eastern European states to choose their geopolitical orientation remaining seemingly incompatible with Moscow's proclaimed desire for an 'equal relationship' with the West. As such, Russia remains seemingly stranded between East and West, unable to capitalize on its natural synergies with Europe but likely ...

Russia between east and west, and the future of Eurasian....

Russia occupies a middle position between East and West, poli- tically and culturally as well as geographically. Some of the early influences on the Kiev and the later Mus- covite state were distinctly Eastern in character.
