Seeming Knowledge : Shakespeare and Skeptical Faith /  
John ...

Seeming Knowledge revisits the question of Shakespeare and religion by focusing on the conjunction of faith and skepticism in his writing. Cox argues that the relationship between faith and skepticism is not an invented conjunction. The recognition of the history of faith and skepticism in the sixteenth century illuminates a tradition that Shakespeare inherited and represented more subtly and effectively than any other writer of his generation.

## Get Free Seeming Knowledge Shakespeare And Skeptical Faith Studies In Christianity

Seeming Knowledge is an excellent study by a top-echelon Shakespeare critic, and it is a pity that the book's editing does not match the book's impressive argumentation. Among the errors on the lower order, inconsistencies in punctuation in citations and in possessives, as well as two botched sentences (136-37 and 244), are particularly distracting.
