Someone Please Have Sex With Me is a refreshing and wry look at sexual frustration from our young heroine and author. From failed erotic photoshoots and late-onset teen popstar obsessions to fairy Kardashians and Pokaemon-inspired future-sex, Wynbrandt isn't one to hold back. SPHSWM finds its footing at the surreal and hilarious juncture between autobiography and fantasy.

Sophie Young tells her shocking true story in Please Will Someone Help Me? Sophie Young was born into a dysfunctional family, with a violent mother and father. Sophie was routinely neglected and harmed, starved and left to fend for herself. Social workers were often involved but, despite numerous visits and extensive reports, nothing was ever done. When Sophie was six, her life took another horrible turn: her adored grandfather began to sexually abuse her. Please Will Someone Help Me? is Sophie Young's heartbreaking story about a young girl at the mercy of the adult world. With full access to her social work files, she shows how those who are meant to help children can be blind to the reality of their lives; but how, ultimately, love conquers all. Sophie Young was the eldest of three, born into a dysfunctional family that she fought for years to escape. Now forty years old, she lives in England with her husband and children, and works as a volunteer for a national children's charity.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this " vital, necessary, and beautiful book " (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and " allows us to understand racism as a practice not restricted to ' bad people ' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

This is a book of all of my poems about my life, feelings, thoughts, emotions, beliefs, values, and morals. Most poems are about me, people I know, relationships I have been in, experiences I have had, and some that are made up and have nothing to do with me personally and were inspired by a poetry site. I love to write poetry and have wanted to publish my poems for a long time. I hope to publish them and to write and publish more. I also hope that people will enjoy my poems, be able to relate to them, and will get something good out of them. I want to give people a positive experience the same way that I feel positive about writing them. I would be happy if my poems helped anyone since I love to help people. I also would be excited if I made any money from the exposure. Thank you for reading.

A riveting family saga, The Story of Edgar Sawtelle explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy ' s epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm – and into Edgar's mother ' s affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father ' s murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes – the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain – create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic.
