For most pulp fans, if they've heard of Norvell

Vg Minus
Page (1904-61), it's for his longtime work on *The Spider*,

where he was responsible for the bulk of the stories and turning the character from

an ordinary
vigilante hero
into the manic
character going
up against weird
menaces.. But he
had a long
career in the
pulp, and one
of the earlier
works he did was
the short-lived
Ken Carter
series.
