A topsy-turvy ride through corporate America, where the male is the minority and must face a comedic blend of sex discrimination and harassment that threatens his sanity. When the newspaper runs an article he finds offensive to African-American men, he writes a rebuttal, which offends so

But when he manipulates events to get hired into an office that is staffed by all women, events quickly spiral out of control. As romances sprout like weeds and Michael finds himself fighting for the women he works alongside, rather than against them, the question is whether he will be able to focus on his work, keep his flings a secret, and achieve the success he has always dreamed of. In turns hilarious, sobering, and eye-opening, *The Office Girls* tells the story of every woman who works in the corporate world and the challenges they face on a daily basis.
