Google setup and TCL initial setup TV Buttons If the batteries in your remote control are run down, you can use the button(s) on your TV set. For models only with one / button on the TV set, it may work just as Power on/Standby button, or as a multi-function controller. You can turn on the TV by press button at the bottom of the TV.

OPERATION MANUAL - TCL Technology

TCL Televisions are made by TCL Corporation, a Chinese multinational electronics company that is partially state-owned. They are housed under the TCL Multimedia division of the company. In 2015, it became the third largest television manufacturer and currently it is in either second or third place depending on sales. They have been around for over 40 years delivering consumer electronics to ...
