Supporting students  
with difficulties in  
learning  
Children with moderate  
learning difficulties  
(MLD), or global  
learning difficulties,  
experience great  
difficulty following the  
curriculum, despite

# Access Free Teaching Kids

receiving additional  
help and intervention.

## Difficulties in Today's Classroom

---

Moderate learning  
difficulties | The Good  
Schools Guide

When teaching a student  
with any disability, it is  
important to remember  
that many of the  
principles for inclusive  
design could be  
considered beneficial to

# Access Free Teaching Kids

any student. The idea of “Universal Design” is a method of designing course materials, content, and instruction to benefit all learners.
