The 100 Thing Challenge does outline the rules and offers suggestions for incorporating them into your own life, but the powerful story of an entrepreneur that realized his American Dream didn't need to be defined by so much stuff is why I recommend the book.

100 Thing Challenge - Be More with Less
If 100 is too easy for you, choose a lower number. You may already be a minimalist. If you only have to get rid of 10 items to get down to 100, you might want to do something more challenging — say 70 or 50 (or 42). Decide how to count things. It's really up to you. Do you count baseball cards individually?

Minimalist Fun: The 100 Things Challenge : zen habits
While resetting my life, I got rid of most of my possessions and without even realising I passed the 100 Thing Challenge.I love what Ronan wrote about “not owning shit”. Depending on what you count I got rid of about 320 kg or 700 lbs of stuff equaling about 200 things. I now live with about 5 kg (11 lbs) or 30 items and have a few boxes totaling 20 kg (45 lbs) in storage.

Experiments like Project 333 and The 100 Thing Challenge are not a struggle for me, they are exciting. While I don't think it's important or necessary to count your stuff or to live with less than a certain number of items, I know that challenges like these allow you to determine what you really need (and don't need) to be happy.
