The Candy Shop War was published before the Fablehaven series was finished, and the writing fits in with those middle books of that series. One thing that I thought was weird in Fablehaven--Brandon Mull always wanted to tell you when someone was naked... always innocently, of course.

The Candy Shop War Page 1 . Prologue. John Dart. The airport shuttle squeaked to a stop in the parking lot of Leslie's Diner. The generic building looked like hundreds of other cheap restaurants where you could get breakfast all day. Judging from the outdated exterior and the heavysset man in the window attacking a syrupy waffle, John Dart ...

The Candy Shop War - Page 1 - Novel122

The first Candy Shop War was written as a stand alone story--Brandon Mull wasn't planning on more. It received such good feedback though that he found more story to tell, and I was worried that his "more" would become a series like Fablehaven where you don't learn the whole story until you've read all the books.

On its surface, The Candy Shop War is a well spun suspense story. Mull has taken it much further though, with weightier than usual character arcs and ethical issues. The prose are well constructed and generous amounts of humour are a welcome ingredient along side some truly suspenseful moments.
