and the reference for designing your own icons. This book is aimed at designers who already have basic vector and bitmap drawing skills.

The Icon Handbook by John Hicks
- Goodreads

This book begins at the point when you need to create your own icons. Its purpose is to guide relatively inexperienced designers through an icon design workflow, starting with favicons and working up to application icons, as well as inspiring and providing a reference point for existing icon designers.

ElAttrache ' s opinion, Hicks confirmed after Game 6, was that he should undergo Tommy John surgery. Instead, Hicks returned to his Arizona home and rested for a brief period before resuming throwing, sending a video to the Yanks ' training staff that displayed enough promise to green-light his return to the club ' s complex in Tampa, Fla.
