The Myth of Sisyphus is a 1942 philosophical essay by Albert Camus. The English translation by Justin O'Brien was first published in 1955. Influenced by philosophers such as Søren Kierkegaard, Arthur Schopenhauer, and Friedrich Nietzsche, Camus introduces his philosophy of the absurd. Absurdism lies in the juxtaposition between the fundamental human need to attribute meaning to life and the "unreasonable silence" of the universe in response. Camus compares the absurdity of man's life with ...
