New: The Creative Photography Cookbook. by The PictureCorrect Team. Just released, this 374-page ebook shows you how to capture 31 creative photos that are out-of-this-world. Which includes balance, levitation, steam, fire, splashes, typography and more. While using gear you already own, from the comfort of your home.

~~New: The Creative Photography Cookbook—PictureCorrect~~

This book is worth buying for beginner and intermediate photographers as is it full of useful content. It covers a large range of topics and seems to have information on everything a person would need to know about their camera, other than the basic concepts of ISO, aperture, and shutter speed, which doesn't seem to be included.

~~The Photographer's Eye: Composition and Design for Better ...~~

From the author of the #1 bestsellers, *The French House*, *The Half-Life of Hannah* and *The Case of The Missing Boyfriend*, Alexander 's new novel, *The Photographer's Wife* is an epic tale set in two eras, a tale of the secrets one generation has, rightly or wrongly, chosen to hide from the next. Barbara — a child of the Blitz — has more secrets than she cares to admit.

~~The Photographer's Wife by Nick Alexander~~

The Photographer 's Cookbook is a record of a time past, but also much more. The pairings of artists ' photos and cooking instructions foreshadow today 's art-driven journals and cookbooks making this not only a fun, beautiful, and provocative book but an important one which I share with friends interested in the intersection of art, commerce, and food—pretty much everyone these days.
