To have found God and still to pursue Him is a paradox of love, scorned indeed by the too-easily-satisfied religious person, but justified in happy experience by the children of the burning heart. Saint Bernard of Clairvaux stated this holy paradox in a musical four-line poem that will be instantly understood by every worshipping soul: We taste Thee, O Thou Living Bread, And long to feast upon Thee still: We drink of Thee, the Fountainhead And thirst our souls from Thee to fill. Come near to the holy men and women of the past and you will soon feel the heat of their desire after God. Let A. W. Tozer's

This is an annotated version of the book 1. contains an updated biography of the author at the end of the book for a better understanding of the text. 2. This book has been checked and corrected for spelling errors Here is a masterly study of the inner life by a heart thirsting after God, eager to grasp at least the outskirts of His ways, the abyss of His love for sinners, and the height of His unapproachable majesty--and it was written by a busy pastor in Chicago! Who could imagine David writing the twenty-third Psalm on South Halsted Street, or a medieval mystic finding inspiration in a small study on the second floor of a frame house on that vast, flat checker-board of endless streets Where cross the crowded ways of life Where sound the cries of race and clan, In haunts of wretchedness and need, On shadowed threshold dark with fears, And paths where hide the lures of greed ... But even as Dr. Frank Mason North, of New York, says in his immortal poem, so Mr. Tozer says in this book: Above the noise of selfish strife We hear Thy voice, O Son of Man. My acquaintance with the author is limited to brief visits and loving fellowship in his church. There I discovered a self-made scholar, an omnivorous reader with a remarkable library of theological and devotional books, and one who seemed to burn the midnight oil in pursuit of

God. His book is the result of long meditation and much prayer. It is not a collection of sermons. It does not deal with the pulpit and the pew but with the soul athirst for God. The chapters could be summarized in Moses' prayer, "Show me thy glory," or Paul's exclamation, "O the depth of the riches both of the wisdom and knowledge of God!" It is theology not of the head but of the heart. There is deep insight, sobriety of style, and a catholicity of outlook that is refreshing. The author has few quotations but he knows the saints and mystics of the centuries--Augustine, Nicholas of Cusa, Thomas à Kempis, von Hügel, Finney, Wesley and many more. The ten chapters are heart searching and the prayers at the close of each are for closet, not pulpit. _I felt the nearness of God while reading them._ Here is a book for every pastor, missionary, and devout Christian. It deals with the deep things of God and the riches of His grace. Above all, it has the keynote of sincerity and humility. In this hour of all-but-universal darkness one cheering gleam appears: within the fold of conservative Christianity there are to be found increasing numbers of persons whose religious lives are marked by a growing hunger after God Himself. They are eager for spiritual realities and will not be put off with words, nor will they be content with correct "interpretations" of truth. They are athirst for God, and they will not be satisfied till they have drunk

deep at the Fountain of Living Water. This is the only real harbinger of revival which I have been able to detect anywhere on the religious horizon. It may be the cloud the size of a man's hand for which a few saints here and there have been looking. It can result in a resurrection of life for many souls and a recapture of that radiant wonder which should accompany faith in Christ, that wonder which has all but fled the Church of God in our day. But this hunger must be recognized by our religious leaders. Current evangelicalism has (to change the figure) laid the altar and divided the sacrifice into parts, but now seems satisfied to count the stones and rearrange the pieces with never a care that there is not a sign of fire upon the top of lofty Carmel. But God be thanked that there are a few who care. They are those who, while they love the altar and delight in the sacrifice, are yet unable to reconcile themselves to the continued absence of fire. They desire God above all. They are athirst to taste for themselves the "piercing sweetness"

Sometimes the voices that speak most clearly in the present are those that echo from the past. So it is in this Christian classic by the late pastor and evangelist A. W. Tozer. In *The Pursuit of God*, Tozer brings the mystics to bear on modern spirituality, grieving the hustle and bustle and calling for a slow, steady gaze upon God. With

prophetic vigor and flowing prose, he urges us to replace low thoughts of God with lofty ones, to quiet our lives so we can know God's presence. He reminds us that life apart from God is really no life at all. Tozer's bestseller, this book has been called "one of the all-time most inspirational books" by a panel of Christian magazine writers. And with this study guide, ideal for group or individual use, reflection and discussion questions will help you internalize the content and apply it to your life.

Salvation is from our side a choice, from the divine side [...] a conquest of the Most High God. - A. W. Tozer With words like these, Tozer shakes the soul. He crumbles the lies we believe and calls us to the more sure way. In these pages, Tozer says what it means to truly be saved. It is not merely to assent to Jesus and go on our same old way, but to be conquered by the Almighty God and invaded by His Spirit. A saved person is a transformed person. Let Tozer upend you in this moving prequel to The Pursuit of God. And being upended, may you be found standing upright in an upside-down world.

ARE YOU HUNGRY FOR A DEEPER AND STRONGER RELATIONSHIP WITH GOD? With prophetic vigor and flowing prose, in these pages, Reformed Pastor A. W. Tozer urges us to replace low thoughts of God with lofty ones, to quiet our lives so we can know God's presence.

Throughout this book, he sheds light on practical ways to a closer walk with God. "Arise, O sleeper!" is his word to us, and yet if we heed the call, we will see that to arise is not to stand but to kneel before the God of heaven in humble contemplation. In these pages, Tozer reminds us that life apart from God is really no life at all. To pursue God is to know Him, and in our knowing, be drawn in.

An illustrated edition of Tozer's classic, designed for discovery, reflection, and sharing. For over seventy years, A. W. Tozer's *The Pursuit of God* has been helping Christians understand what it means to worship the Almighty in spirit and truth. Now, here is a visually rich edition for seekers who want to slow down and contemplate God in 31 separate devotional readings. Tozer's wise words are accompanied by graphically paced images that lead to a natural flow of personal discovery. This illustrated exploration of a timeless classic allows the reader to encounter divine truths anew and share them with others. The ancient psalmist cried, "As the deer pants for streams of water, so my soul pants for you, my God." If you resonate with Tozer's remark that "the longing heart will understand it," this book is for you.

"The Pursuit of God." He wrote all night, and when the train arrived at his destination, the rough draft was done. The depth of this book has made it an enduring favorite. Readers cannot help but hear the voice of God calling them to a deeper relationship with Him while reading this amazing classic. From beginning to end, each page in "The Pursuit of God" is an impassioned plea for the reader to abandon "comfortable Christianity" in order to truly know God as He desires to be known. This is the most important and foundational book of the Christian faith written by a man who wore holes in the knees of his pants from praying. "The Pursuit of God" challenges the reader to consider their own faith in Christ, and what they should be doing with that faith, in virtually every chapter. The chapter entitled "The Blessedness of Possessing Nothing" should be required reading for anyone confessing Christ as their Lord. If you have not done so already, please read this book. Your life, and the lives of those you share this book with, will be forever enriched.

This new edition replaces both The Pursuit of Holiness and the separate study guide by combining both resources into one volume! "Be holy, for I am holy," commands God. But holiness is something that is often missed in the Christian's daily life. According to

Navigator author Jerry Bridges, that's because we're not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit's role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.

Is our Christianity that of the New Testament? "God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here." —A. W. Tozer Like a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read. In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A manifesto of true religion, *Of God and Men* will set your foot on the narrow path and lift your heart in soaring worship.
