~~The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed, without any regard to copyright law, or royalties paid to the composers who created these musical masterpieces.~~

The Real Easy Book - Volume 1 is my all-time favorite entry-level fake book, and Volume 2 is just as impressive for the intermediate level improviser. I really like having a fake book with written-out scales for soloing, chord voicings, guitar diagrams and bass lines. The selection of tunes is awesome.
