The Sisters, Short Story | Write4Fun By Dr Oliver Tearle. 'The Sisters' is the opening story in James Joyce's 1914 collection, Dubliners. Unlike the other stories in the collection, it is told in the first person, by a young man recalling his friendship, as a boy, with a Catholic priest. As this very brief summary of the story would suggest, there is something odd in the story being given the title 'The Sisters', since the two sisters are actually not the central focus of the story.

A spellbinding coming of age novel about three sisters and the relationships and choices that shape their lives from the bestselling author of Reese Witherspoon Book Club pick, The Rules of Magic "This bewitching novel explores the bonds of sisterhood like a haunting modern fairy tale."-Glamour Each of three sisters-Elv, Claire, and Meg-has a fate she must meet alone: one on a country road, one in the streets of Paris, and one in the corridors of her own imagination. Inhabiting their world are a charismatic man who cannot tell the truth, a neighbor who is not who he appears to be, a clumsy boy in Paris who falls in love and stays there, a detective who finds his heart's desire, and a demon who will not let go. What does a mother do when one of her children goes astray? How does she save one daughter without sacrificing the others? How deep can love go, and how far can it take you? These are the questions this luminous novel asks. At once a coming-of-age tale, a family saga, and a love story of sensual longing, The Story Sisters sifts through the miraculous and the mundane as the girls become women and their choices haunt them, change them and, finally, redeem them. It confirms Alice Hoffman's reputation as "a writer whose keen ear for the measure struck by the beat of the human heart is unparalleled" (The Chicago Tribune).

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "[A] skillfully crafted gothic mystery . . . Johnson pulls off a great feat in this book." -Financial Times "It reminded me, in its general refusal to play nice, of early Ian McEwan." -The New York Times Book Review "Johnson crafts an aching thriller about the dangers of loving too intensely." -Time From a Booker Prize finalist and international literary star: a blazing portrait of one darkly riveting sibling relationship, from the inside out. "One of her generation's most intriguing authors" (Entertainment Weekly), Daisy Johnson is the youngest writer to have been shortlisted for the Man Booker Prize. Now she returns with Sisters, a haunting story about two sisters caught in a powerful emotional web and wrestling to understand where one ends and the other begins. Born just ten months apart, July and September are thick as thieves, never needing anyone but each other. Now, following a case of school bullying, the teens have moved away with their single mother to a long-abandoned family home near the shore. In their new, isolated life, July finds that the deep bond she has always shared with September is shifting in ways she cannot entirely understand. A creeping sense of dread and unease descends inside the house. Meanwhile, outside, the sisters push boundaries of behavior-until a series of shocking encounters tests the limits of their shared experience, and forces shocking revelations about the girls' past and future. Written with radically inventive language and imagery by an author whose work has been described as "entrancing" (The New Yorker), "a force of nature" (The New York Times Book Review), and "weird and wild and wonderfully unsettling" (Celeste Ng), Sisters is a one-two punch of wild fury and heartache-a taut, powerful, and deeply moving account of sibling love and what happens when two sisters must face each other's darkest impulses.

Considered as one of the greatest short stories in the Western Canon, James Joyce's complex narrative "The Dead", explores the intricate issues of identity and power through the lens of language, patriarchy, and imperialism. These issues are directly tied to the longstanding political turmoil of his native Ireland and the social questions of his day. Joyce's story reveals that we often achieve what we tried to avoid by pretending to be what we are not. At 15,672 words The Dead is often considered a novella and the best of Joyce's shorter works. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses (1922), a landmark work in which the episodes of Homer's Odyssey are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection Dubliners (1914), and the novels A Portrait of the Artist as a Young Man (1916) and Finnegans Wake (1939). His complete oeuvre also includes three books of poetry, a play, occasional journalism, and his published letters.

A tale of two sisters over seventy years that recovers the vibrant and unforgettable voice of Beverly Jensen In 1916, Idella and Avis Hillock live on the edge of a chilly bluff in New Brunswick-a hardscrabble world of potato farms and lobster traps, rough men, hard work, and baffling beauty. From "Gone," the heartbreaking story of their mother's medical crisis in childbirth, to the darkly comic "Wake," which follows the grown siblings' catastrophic efforts to escort their father, "Wild Bill" Hillock's body to his funeral, the stories of Idella and Avis offer a compelling and wry vision of two remarkable women. The vivid cast includes Idella's philandering husband Edward, her bewilderingly difficult mother-in-law- and Avis, whose serial romantic disasters never quell her irrepressible spirit. Jensen's work evokes a time gone by and reads like an instant American classic. Beverly Jensen died of cancer at the age of forty-nine without publishing her work. Since her death, her fiction has been championed by a dedicated group of supporters, including Stephen King and Joyce Carol Oates.
