Research confirms that the teacher makes the greatest difference in the learning success of students, so it's important that new teachers get off to a strong start. With help from veteran teacher and mentor Gini Cunningham, inexperienced teachers can better understand and successfully tackle the many daily challenges they will face in the classroom: * Setting up classroom procedures and managing class time * Coordinating standards, curriculum, and textbooks * Developing manageable lesson and unit plans * Handling discipline problems and engaging students in learning * Using effective assessment practices and monitoring student achievement Teaching is a physically and emotionally demanding career, but Cunningham's practical advice and memorable anecdotes will help teachers prepare for and enjoy their work--even on the most difficult days. And administrators can use this accessible guide to support new professionals and avoid early burnout. The New Teacher's Companion is a valuable resource for any teacher who wants the classroom to be a rich and rewarding place for teachers and students alike.

Map will show readers how easy it is to find the places they know and love with help from a map.

Woven through the book is Mary's unflinching and humorous account of her own roots in a struggling large Irish Catholic family and her early career as a community activist. Mary's teaching is infused with lessons of her heroes: Gandhi, Eleanor Roosevelt, Helen Keller, Martin Luther King, Jr., and others. Her students learn to make connections between their lives, the books they read, the community leaders they meet, and the larger world.

The need for a cohesive and comprehensive curriculum that intentionally connects standards, instruction, and assessment has never been more pressing. For educators to meet the challenging learning needs of students they must have a clear road map to follow throughout the school year. Rigorous Curriculum Design presents a carefully sequenced, hands-on model that curriculum designers and educators in every school system can follow to create a progression of units of study that keeps all areas tightly focused and connected.

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of "The 7 Habits of Highly Effective People" to help everyone, including young children, identify and use their individual talents.

This hands-on guide is designed to assist teachers as they structure their learning practice. The framework of four basic and proven steps – Preparation, Learning Sequence, Authentic Application, and New Thinking – can be used at any level, for any subject, and for learning applications from lessons to unit plans. The P.L.A.N. approach aims to improve flow in teaching – to help teachers truly implement purposeful planning, personalization, and engagement. Combining the best research on how we learn with practical lesson exemplars, the P.L.A.N. process encourages and supports goal setting, student engagement, and transformational learning.
