ENVIRONMENTAL IMPACTS OF TOURISM - GDRC

The most commonly noted positive environmental impact of tourism is raised awareness. Many destinations promote ecotourism and sustainable tourism and this can help to educate people about the environmental impacts of tourism.

Environmental impacts of tourism - Tourism Teacher

Abstract. Recreation and wildlife observations occur often in hiking trails. In terms of recreation planning, few studies have combined ecological and cultural features to assess ecotourism potential of hiking trails. Seasonality has been also neglected in tourism research. In order to disperse tourists over the year and alleviate the negative impacts of mass tourism events, we propose an integrated framework to assess the ecotourism potential of hiking trails that encompasses species ...
