Toyo Ito & Associates, Architects

Toyo Ito (?? ??, It? Toy?, born 1 June 1941) is a Japanese architect known for creating conceptual architecture, in which he seeks to simultaneously express the physical and virtual worlds. He is a leading exponent of architecture that addresses the contemporary notion of a "simulated" city, and has been called "one of the world's most innovative and influential architects."

Toyo Ito - Wikipedia

Toyo Ito was born on June 1, 1941 in Keijo (Seoul), Korea (Japanese). His father was a business man with a special interest in the early ceramic ware of the Yi Dynasty of Korea and Japanese style paintings. He also was a sports fan of baseball and golf. In 1943, Ito, his mother, and his two elder sisters moved back to Japan.

Biography: Toyo Ito | The Pritzker Architecture Prize

Toyo Ito, Japanese It? Toyo-o, (born June 1, 1941, Seoul, Korea [now in South Korea]), Japanese architect who is known for his innovative designs and for taking a fresh approach to each of his projects.

Toyo Ito | Japanese architect | Britannica

Toyo Ito was born on June 1, 1941, in Seoul, Korea, which was, at the time of his birth, regarded as the Japanese-occupied Korea. In 1943, Toyo, along with his mother and sister, migrated to Japan, and his father joined them a few years later. Toyo enrolled himself at the University of Tokyo, and in 1965, he graduated from there.

Toyo Ito & Associates | ArchDaily

"Toyo Ito (b.1941) is one of the world's most ground-breaking architects, recognized internationally for his inventive and original work. The revolutionary approach to engineering seen in his Sendai Mediatheque (2001) marks an important turning point not only in his own work but also in contemporary architecture in general.

Toyo Ito (Book, 2009) [WorldCat.org]

Toyo Ito argues that modern architecture with its desire to please the society works as a conveyor, churning out cities that look the same. Each of his projects proves that the architecture is primarily the art of extraordinary decisions.
