Download Free United States History Government Answer Key

The history of the United States started with the arrival of Native Americans around 15,000 BC. Numerous indigenous cultures formed, and many disappeared in the 1500s. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first nation whose ...

...

The United States is a federal constitutional republic, in which the President of the United States (the head of state and head of government), Congress, and judiciary share powers reserved to the national government, and the federal government shares sovereignty with the state governments.. The executive branch is headed by the President and is independent of the legislature.
