Americans And The Origins

In Unruly Americans and the

Origins of the Constitution,

Holton provides the

startling discovery that the

primary purpose of the

Constitution was, simply

put, to make America more

attractive to investment.

And the linchpin to that

endeavor was taking power

away from the states and

ultimately away from the

people.

...

Woody Holton's Unruly Americans and the Origins of the Constitution should be a work of interest for scholars of the American Constitution and all that surrounds it, as well as students of early American history who have a solid bit of background already. His argument appears to be twofold: that the delegates sent to Philadelphia to draft and revise the Constitution did so to create less of a democracy, taking direct power away from the people and thus forming a republic, but it was also ...
