The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

Toby has to finish the final thing on The List. It's a list of brave, daring, totally awesome things that he and his best friend, Lucas, planned to do together, and the only item left is to hike the Appalachian Trail. But now Lucas isn't there to do it with him. Toby's determined to hike the trail alone and fulfill their pact, which means dealing with the little things -- the blisters, the heat, the hunger -- and the big things -- the bears, the loneliness, and the memories. When a storm comes, Toby finds himself tangled up in someone else's mess: Two boys desperately need his help. But does Toby have any help to give? The Trail is a remarkable story of physical survival and true friendship, about a boy who's determined to forge his own path -- and to survive.

The sequel to the #1 New York Times bestseller Travel Team! When you're the smallest kid playing a big man's game, the challenges never stop--especially when your name is Danny Walker. Leading your travel team to the national championship may seem like a dream come true, but for Danny, being at the top just means the competition tries that much harder to knock him off. Now Danny's leaving Middletown for the summer and heading to Right Way basketball camp, where he's out of his element and maybe out of his league. The country's best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won't be easy. Old rivals and new battles leave Danny wondering if he really has what it takes to stand tall. "Lupica is at his best when he puts the reader right in the center of the action on the court. His game descriptions are fast, accurate, and exciting. Young sports-fiction fans will eat this up." --Booklist "Sports fans will relish the on-court action, expertly rendered in Lupica's taut prose. This worthy sequel to Travel Team should earn a wide audience." --School Library Journal "Lupica knows his basketball and knows how to spin a page-turner of a story. Those who enjoyed the first installment of Danny's story will be thrilled to read a sequel, and even those middle school readers who are not huge sports fans will want to cheer for Danny Walker, who proves that determination can be a whole lot bigger than height." --VOYA
