showing you how to make the best choices possible. She exposes the brands and products that contain toxic and hormone-disrupting ingredients and gives guidelines on choosing safer products and organic produce that are free from toxic and persistent pesticides. She instructs you on making the move to meat, dairy, and eggs that are free of antibiotics, GMOs, growth hormones, and dangerous pathogens. She explains at what phases of childhood children are the most vulnerable and need more protection. And she includes delicious and kid-approved recipes to help you detoxify your cooking routine. It ' s not about being perfect or 100% clean—none of us are—it ' s about being green enough.
