What doesn ' t kill you, makes you stronger comes from an aphorism of the 19th century German philosopher Friedrich Nietzsche. It has been translated into English and quoted in several variations, but is generally used as an affirmation of resilience.

What doesn ' t kill you, makes you stronger | Dictionary.com

I love those who can smile in trouble, who can gather strength from distress, and grow brave by reflection. 'Tis the business of little minds to shrink, but they whose heart is firm, and whose conscience approves their conduct, will pursue their principles unto death.

Friedrich Nietzsche - That which does not kill us makes us...

“ That which does not kill us makes us stronger. ” – Friedrich Nietzsche In a therapy session, a client made the oft used statement that he had come to believe was true.

Is It True: What Doesn't Kill You Makes You Stronger?

It may seem that wise, strong people typically have gone through a few hard times in their lives. By comparison, those who have led a very sheltered and privileged life often appear to crack more easily under pressure. But is it really true that some degree of pain and trauma can make us stronger? And...

Is It True That What Doesn ' t Kill Us Makes Us Stronger ...

That quote is attributed to the German philosopher, Friedrich Nietzsche. Actually, he said it much more eloquently: “ That which does not kill us, makes us stronger. ” It turns out that he was right. Studies have shown that some trauma survivors report positive changes and enhanced personal development, called post traumatic growth (PTG). PTG refers to any beneficial change resulting from a major life crisis or traumatic event, but people most commonly experience a positive shift by having ...

What Don't Kill Us Makes Us Stronger | African American ...

The saying says "that which does not kill us, makes us stronger." Times are though, not just now, but anytime. Tragedy can strike many people all at once, or a single person at a time. Big tragedies and little tragedies have one thing in common: they show the strength and character of the people who have to go through them.

That Which Does Not Kill Us, Makes Us Stronger

It is usually translated into English as "what does not kill me makes me stronger." Nietzsche used a similar line in Ecce Homo (written 1888, published 1908), the last book he wrote before going completely insane. In the chapter entitled “ Why I Am So Wise, ” he wrote that a person who has “ turned out well ” could be recognized by certain attributes, such as a knack for exploiting bad accidents to his advantage.

A close look at black women ' s physical, mental, and social circumstances reveals harmful social disparities. Yet, for decades, black women ' s suicide rates have remained virtually nonexistent compared to the rest of the American population, baffling social scientists. In this book, black women speak for themselves about their life struggles and their notions of suicide. Within a framework ...
