Where Am I Eating? tells fascinating stories of the farmers and fishermen around the world who produce the food we eat, explaining what their lives are like and how our habits affect them. This book shows how what we eat affects the lives of the people who produce our food.

Where Am I Eating? An Adventure Through the Global Food ...

This book takes a human-centered approach to food, investigating the lives of the people at the other end of the global food economy, observing the hope and opportunity—or lack thereof—that results from our reliance on imports. Where Am I Eating? is a touching, insightful, informative look at the origins of our food.

Where Am I Eating? eBook by Kelsey Timmerman ...

In Where Am I Eating?, Timmerman explores the global food economy and the issues surrounding it including workers' and human rights, rural poverty, the loss of cultural and biodiversity, climate change, and fair trade through the lives of the workers he met along the way. Timmerman argues neither for nor against the globalization of food, but personalizes the issue by observing the hope and opportunity, and the lack of both, which the global food economy
