It ' s extremely common for people using CPAP to still experience apneas while they sleep. Of course, since CPAP is designed to treat apneas, this raises some common questions: If I use CPAP, why do I still have apneas? (In other words, why is my CPAP machine showing an AHI – apneas and hypopneas I have per hour – more than zero?)

Question: "Why do we still sin after salvation?" Answer: Salvation begins the moment we receive, by faith, God ' s offer of forgiveness through the death and resurrection of His Son, Jesus (Ephesians 2:8 –9, John 1:12). Jesus called it being " born again " (John 3:3). In repenting and giving up our old life, we receive the new life Jesus purchased for us with His blood (2 Corinthians 5:17, 21).

Still, I do have days where I feel pretty good. I can go for a walk, cook meals, and do laundry. But then the relapse comes. It always comes. Sometimes it lasts for 1 day or 2, but sometimes as many as 10. When this happens, I ' m knocked down, back in bed, needing to sleep, feeling anxious, reaching for my inhaler to help me breathe.
