Inside these pages you will discover the fascinating world of successful facilitation. There is no hunting for the how-to, no rummaging through several different resources to assemble one comprehensive process, and no translating intellectual theory into practical application. It is right here, in one place. By any stretch of the imagination, facilitation is not a new concept, a fad, nor is it a skill only the highly trained or abundantly talented use. With exception of those who spend 23-hours a day on the couch, everybody

facilitates. The Desktop Encyclopedia for Facilitation dives into organized collaboration, decision-making, problem-solving, team building, and so much more, to address the most common facilitation problems any professional, or person, faces! This is an encyclopedia, not a novel; you take from it what you need, when you need it, and leave the rest for later. When you read through the many techniques and encounter the accumulation of tools and tricks of the trade, I'm willing to bet you will find an armful of ideas you've never thought about before. With this book in hand, you will soon be moving a group through a profitable and thriving process, which is priceless ... and it can go without saying, a lot less stressful for those involved.

feminine counterpoint to . . . Philip Roth ' s 2006 novel, ' Everyman ' ” by the award-winning author (The Washington Post). Born on the same day as Queen Elizabeth II, Canadian Georgina Danforth Witley is one of ninety-nine lucky Commonwealth residents invited to Her Majesty ' s eightieth birthday lunch at Buckingham Palace. But en route to the airport to board the plane for London, Georgina ' s car slips off the road and plunges into a thickly wooded ravine. Thrown from the car, injured, and unable to move, she must rely on her full store of family memories, her no-nonsense wit, and a recitation of the names of the bones in her body—an exercise from childhood—to remind her that she is still very much alive. But what has the entirety of her life meant? As Georgina lies stranded and helpless, she reflects on her eighty years as a daughter, mother, sister,

The enclosed CD contains solutions, both in Aspen Plus and text formats, to examples imbedded in the text as well as to all the workshops. There are also notes at the end of each chapter designed to aid readers that have difficulty with the workshops.
